THE LATE BUTLER P. ANDERSON. papers and magazines, have been grossly PEAL, and which will become a precious his- cost might have prevented it altogether. tory to those who will ever cherish his memory, and with undying affection bless THE STREETS OF MEMPHIS YESthe turf that wraps his clay and deck his shrine with never-fading laurels. The handrepresented "The hero of Grenada." The yesterday. Our streets presented the appearcalm serenity and steady nerve he pursued pour in its teeming masses. Special rates high business structures." the rough road to duty, to death and-to have been offered to excursion parties on the ler P. Anderson's life. He would following: The celered excursion to Memphis on the twenty-seventh finance to be an immense and enjoyable coasts on. A. Patterson, Esq., who has the matter in charge, is sparing no effort or means to make it one of the most memorable local events of the closing year. The arrangements are on an extensive sole, and ample preparations are being made in Memphis for the reception and entertainment of the excursionists. The stay in Memphis will be most enjoyable, and the excursion is will ment of the excursionists. The stay in Memphis will be most enjoyable, and the excursion is will be most enjoyable. The stay in the several provided for the excursion is will be an elegant coach provided for the exclusive use of white people, who may desire to avail themselves of the customs officers, authorizing them to receive, after the first of January, United States notes as well as gold coin and standard days and one night.

All visitors will find the stocks in the above. have made a military hero. derson was at home, surrounded by a happy

ease commenced its work of devastation, swept away whole families, leaving behind such desolation and woe as to make unhappy the many messenger boys tramped from one now in session at St. Paul, Minnesota. Grenada the wonder and the pity of the world. Butler P. Anderson heard the cry for help. It required the herve of the "Six Hundred" to charge this entrenched pestilential Balaklava. But he marched to the perilous carnival of death, and devoted all that was in him-and it was much - to the amelioration of suffering humanity. He entered upon his errand of mercy earnestly, and sot himself with guileless heart and unwearied diligence to the work before him. He never faltered intil struck down by the remorseless enemy. A whole nation wept over his death. In ntroversy to settle with a stormy con-

family-wife, sons and daughters. The dis-

Nearly every city of prominence is asking compromise on its indebtedness. In Georgia a general law has been passed permitting towns and cities to compromise and reathing out his life, he had no troublesome fund their indebtedness. The city of Savannah urged the passage of such an act in ence. He had no occasion to mourn unorder that it might more effectually carry Hingly over wrongs done mankind. He s behind a name surrounded with many its creditors. But if it had been made to ishable glories, and far greater will be the Rories which await him in eternity. would have come under the head of local THE MEETING TO-NIGHT. A public meeting will be held to-night at the courthouse in Memphis, for the purpose of discussing the indebtedness of the city. The time selected for this meeting is most Christmas eve is an absurdity. A fair expression of public sentiment cannot be elic-

The time selected for this meeting is most inhabitants, and the bill became a statute. In the States are the most productive sources of while a general law, the act was intended gold supply, the first yielding twenty million large attendance at a public meeting on solely to benefit Savannah. A LETTER from Berlin to the New York ited on an occasion when every man who loves Herald gives an account of news received the family circle is preparing for the festivities of to-morrow. In discussing a question so important as our city in lebtedness, no expression should be made unless the people demonstrated. This explorer is a Swede, are assembled in mass-meeting. No such who, in 1875, made an Arctic voyage which meeting can be expected to-night. The is established the fact that the sea of Kara, sues before the people are simple. One party proposes to fund the city debt at fifty cents bla, is navigable. The next year he made on the dollar. The other proposes to repeal the city charter, and thus save the tax-payer from the ruinous exactions of writs of mandamus without making any provisions for grees east. Ascending the river he disposed the payment of the city debt. Those who favor the last proposition are strongly reinforced and fortified by the opinions of leading lawyers, which we publish in this morning's APPEAL. But we assure the advocates of repeal that they cannot carry their scheme through the legislature unless they go before that body with clean hands, and show that they have exhausted every effort to compromise and to settle upon a basis commensurate with the ability to pay. the belief that he may be able to sail through Unless the people of Memphis are united, Behring's strait, and thus make a passage the legislature will not repeal the city charter. If the bondholders are not fools, devoured by a consuming avarice, they will readily and gladly fund their debt, for if they do not, they will find the people of Memphis bimself a name among the great explorers. THE Boston I Traceler man was present at he reception of the new governor-general of
